Story and Pictures by  
LEE CASSEL and MARY SNOW

A Teachkids Book  
The 21CAF Children's Collection  
Montana, USA

**Jojo was a poor boy. He had no food. He had no money.**

**He only had a toy. It was a toy airplane. He played with his toy airplane every day.**

**He wanted to be a pilot one day.**

**One day, Jojo met a man on the street.**

**The man spoke to Jojo. The man said, "My name is Francis."**

**I will take you to my house.  
There, you can have a shower  
and you can get clean clothes."**

**Francis took Jojo to his home.**

**“Jojo, this is my wife Nancy,”  
Francis said. “Now, wash your  
hands and we will have dinner.”**

**They had dinner and Jojo took a shower. Nancy gave him clean pyjamas to wear.**

**The next day, Jojo put on new clothes.**

**Francis told him he can stay with Nancy all day. "I will find you a house", Francis said to Jojo. "You can have a place to stay and play with other children."**

**Jojo was so happy. He wanted to give Francis his toy airplane. It was the only thing he had.**

**But Francis said, “Jojo, keep your airplane. It is your dream to be a pilot. One day your dream will come true.”**

**And his dream came true.**
